Brüel & Kjær Vibro declares that the above mentioned product complies with the relevant ACMA standards referenced in the *Radiocommunications Labelling (Electromagnetic Compatibility) Notice 2008* made under section 182 of the *Australian Radiocommunications Act 1992*

This product has been tested to the following standard:

| Standards | Description |
|-----------------|---|
| EN 61326-1:2006 | Electrical equipment for measurement, control and laboratory use - EMC requirements |

I hereby declare that the contents of this form are true and correct, that the product mentioned above complies with the relevant above mentioned standards and all products supplied under this declaration will be identical to the product identified above.
