

Statement of Compliance

GL Renewables Statement No. CMS-GL-002-2014

We hereby certify that the monitoring body

**Brüel & Kjær Vibro A/S
Skodsborgvej 307B
2850 Nærum, Denmark**

has been assessed by Germanischer Lloyd Industrial Services GmbH, Renewables Certification (GL RC) concerning the supervision method.

The Statement of Compliance is based on the indicated documents as follows:

Report No. 75083-17	Certification Report for the Monitoring Body Brüel & Kjær Vibro A/S, dated 2014-05-16
Report No. 73824-16, Rev. 3	Certification Report for the Condition Monitoring System WTAS 3652, dated 2013-12-16
Certificate Registration No. 067156 QM08	Certificate for the Quality Management System according to ISO 9001:2008, issued by DQS, Germany, dated 2012-10-29, valid until 2015-10-28
Normative references:	GL Rules and Guidelines – IV Industrial Services – Part 4 - Guideline for the Certification of Condition Monitoring Systems for Wind Turbines, Edition 2013

Changes of the supervision method or the quality management system are to be approved by GL RC; otherwise this Statement of Compliance loses its validity.

This Statement of Compliance is valid until 2019-05-21, if the validity of the certificate for the Quality Management System is maintained and if an audit of the monitoring body will take place within the 4th quarter of 2016. An audit report has to be issued to maintain this Statement of Compliance.
