To our Valued Customers, Suppliers, and Business Partners:

It is with great pleasure that we announce, effective July 1, 2020, the relocation of BK Vibro America Inc. to a new upgraded, professional, and modern facilities located in Williams Ridge Industrial Park in Gardnerville, Nevada.

BKV America has tripled our occupied space and dramatically increased on-site inventory. This will allow us to respond more quickly to customer's needs. Our new facilities will also house manufacturing, engineering, finance, a customer/channel partner applications training center along with calibration and repair facilities. We will also continue to offer in-house engineering solutions from the new location.

Our phone numbers, email addresses, and website will remain the same. Our new physical locations will be:
