

Brüel & Kjær Vibro

A member of the NSK Group

Lean Manager (m/f/d)

BK Vibro is one of the world's largest independent suppliers of machinery protection and condition monitoring systems. The systems are installed on rotating and reciprocating industrial machinery, such as pumps, turbines, compressors, motors, generators and gearboxes. Our solutions include hardware, software, sensors and all the required services, training, and consulting to install, integrate, apply, and operate our solutions.

Brüel & Kjær Vibro (BK Vibro) is looking for skilled and experienced Lean Manager to join our Supply Chain & Operations team in Darmstadt, Germany.

Your tasks:

- Develop and lead all Lean projects within the BKV business, across all functions and business processes
- Train and mentor Lean facilitators to ensure project success
- Support manufacturing teams to fully implement Lean methodology, including hands-on implementations of 5S, DMS and throughput improvements
- Identify and lead opportunities to improve supply chain planning, materials management and flows, On Time Delivery from suppliers and to customers, and Inventory optimization
- Lead the S&OP process implementation and act as coordinator for the monthly execution

Your profile:

- Bachelor's Level Degree or demonstrated practical experience in Supply Chain Management, Production Management, Materials Management, Customer Services
- 5+ years progressive experience in supply chain, operations, Lean or Operational Excellence
- Hands-on experience leading Lean projects in manufacturing and services
- Hands-on experience managing various supply chain functions, including supplier management, materials management and capacity planning
- Experience with Sales & Operations Planning Process (S&OP)
- Outstanding interpersonal skills including developing relationships at all levels in an organization and indirectly influencing business objectives
- Strong financial, analytical and quantitative skills
- Experience managing global teams and projects

In addition to intensive incorporation and continuous training courses in technical subjects as well as training in soft skills, we offer you an attractive working environment, a fair pay and a varied range of tasks. You benefit from flexible working hours and interesting development opportunities within our company. If you recognize yourself in our description, please send your complete application, including your earliest starting date and salary expectations, in English to our Human Resources department (career@bkvibro.com).

B&K Vibro is an equal opportunity employer and all applicants will be considered for this position without regard to national origin, gender identity, sex, sexual orientation, color, religion, veteran or disability status.
